

EL CALLEJÓN DEL DIABLO

Ingredients:

1. Acidic red fruit water 2oz (clarified).
2. Malas Lenguas crystalline tequila, 1oz.
3. Mounts on the glass.
4. Creme de violett 1-2oz.

MILKWASH

For 150g of red fruits (strawberry, blue berry, blackberry and raspberry), 100 of water and 200 of sugar and 5g of citric acid.

It is clarified with 150 ml of hot clear holy milk to speed up the cutting and separate the color of the preparation. After resting for 30 minutes at temperature, strain with a coffee filter or blanket, so it will be separated by drip.
