

LA LLORONA

Ingredients:

1. Taro syrup 1.5oz (1.1).
2. Yellow mix acid ½ oz.
3. Malas Lenguas Cristalino Tequila 2oz.
4. Frootlops milk 4oz (used to clarify).

Preparation:

In a container add 1lt of the taro syrup and 500 ml of acid mix. Pour this into 300ml of the frootlops milk to clarify.

Use 3 oz of this clarification per 1 oz of crystalline tequila in a mixing glass. Serve in an old fashion glass and add an ice cube with marzipan powder and it is ready.
