

## LA LLORONA 2.0

### Ingredients:

1. Sweet and Spicy Watermelon Juice 3oz.
2. Damiana liqueur 3-4.
3. Malas Lenguas Reposado Tequila 1.5oz.

### Preparation:

Adding all the ingredients to the shaker, mix (short and fast), so as not to dilute it so much, this way we will preserve the flavors and it will only cool.

### SPICY WATERMELON JUICE

For every 1.5kg of watermelon, it will be liquefied and finely strained, avoiding the remains of seeds and pulp, and then add ½ deveined and seeded morita, letting it rest for 1-2 days to obtain the spiciness.
